Some of the brands I've helped

Select Work

I was the lead on these projects, primarily involved in strategy, content development ,project management and execution of the digital marketing components of the campaign.

AWS Integrated marketing
Lead Generation

Using a variety of digital and direct marketing tactics, we produce acquisition, retention and development campaigns for AWS' distinct audiences of business decision makers and IT professionals, promoting resources, **events**, **offers** and **training** opportunities.

Client: Amazon Web Services

Region: Australia and New Zealand

Activity: Lead generation landing pages, laptop stickers, direct marketing, eDMs

Lenovo for Enterprise
X1 Lead Generation

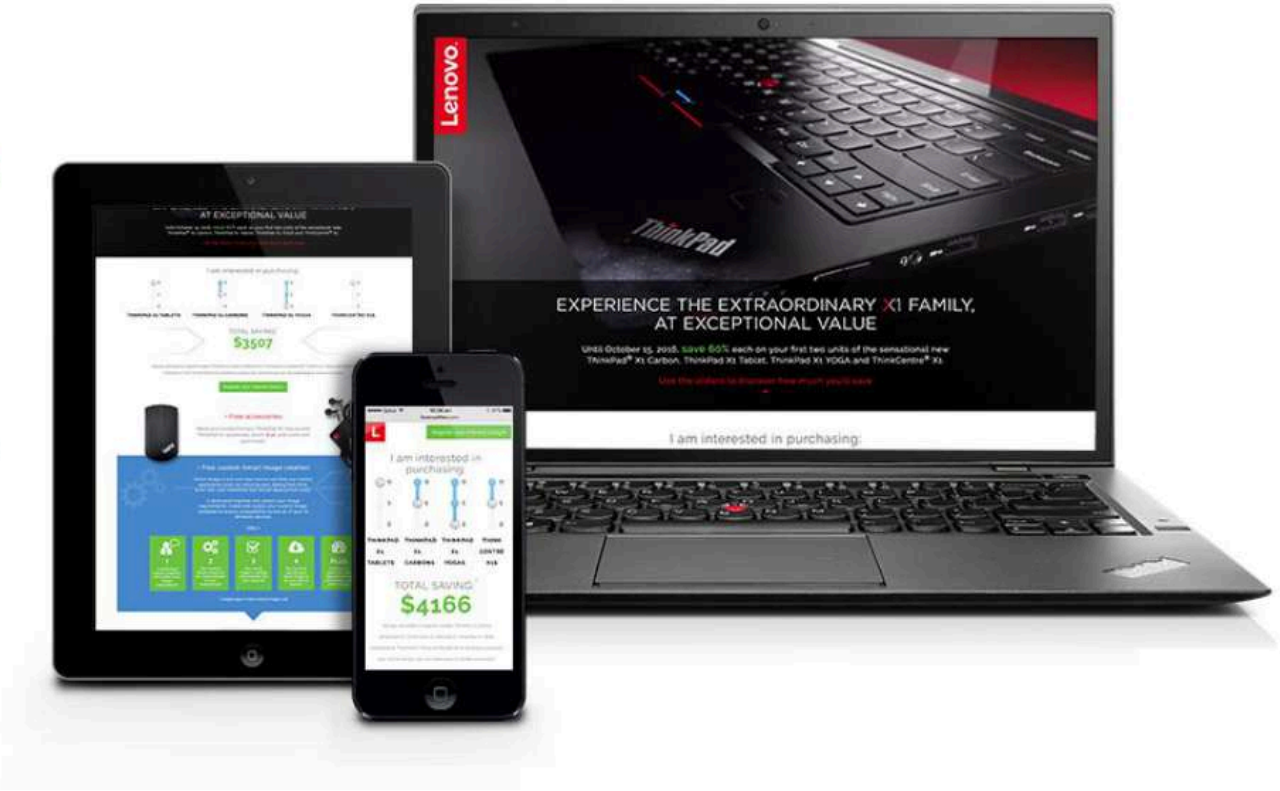

In a series of lead generation campaigns for Lenovo in North America, we featured an offer for enterprise customers to buy their first units of the **new premium range of X1 PCs** from Lenovo at a great saving.

The campaign was promoted by personalised eDMs to customers, with a landing page that used **HTML5 background video** and interactive sliders allowing users to **experiment and discover** their total potential saving based on the number and type of computers being purchased.

Client: Lenovo

Region: North America

Activity: Interactive landing page, eDM

This is ThinkPad Brand Website

Client: Lenovo

Region: Worldwide (30+ markets, 15+ languages)

Activity: Website, lead generation, unique custom CMS

The culture and history of passionate innovation are captured in this marquee website for Lenovo's legendary Think brand, which we researched, wrote, designed and developed.

Challenges included **advanced HTML5 interactions** with scroll triggered video and conducting interviews with subjects all over the world to generate the site content.

In under 5 months:

- 85,995 page views
- 47,739 unique page views
- $1 million in sales attribution

Enterprise Matters
Content Marketing

Client: Lenovo

Region: Australia and New Zealand

Activity: Content marketing, digital advertising, lead generation

Enterprise Matters was a **content marketing portal** for CTOs, CIOs and senior technologists delivering thought leadership on technology matters and news to benefit enterprises.

Research, infographics, white papers and case studies provide an in-depth background to the topics, giving enterprises knowledge that could really make a difference to their performance.

The site was equipped with lead generation capability and promoted with targeted digital advertising tactics.

The biggest game in town
Channel incentive program

The Honeywell Channel Incentive Program was created in a response to a brief by Honeywell to **lift channel revenue** and encourage partners to **upsell and cross-sell** specific products and services.

Over a period of 6 months after the introduction of the program, sales revenue from the program members far exceeded the sales from non-members.

Client:	Honeywell
Region:	ANZ
Activity:	Website, eDMs, video, print, channel marketing, sales incentive program

Lenovo Zoom
Social Media Campaign

Client: Lenovo

Region: Australia / New Zealand

Activity: Social media, digital advertising, competition mechanics, print collateral, website, print advertising

Lenovo Zoom targeted school pupils with an online video competition to increase affinity with the Lenovo brand.

The 8-week campaign received 32 approved video entries and with over 40,000 unique visitors to the website, 20,000 votes cast and plenty of activity in social channels, campaign KPIs were comfortably exceeded.
